

Bite Size Sausage Squares

Preheat oven to 325 Degrees

Ingredients:

8 triangles of Pillsbury Crescent Dough

½ Cup of cooked sausage – crumbled

¼ package of cream cheese - softened

Directions:

1. Seal four triangles together along the perforation. (To make a large piece of dough)
2. Spread the cream cheese on top of the dough.
3. Sprinkle the sausage onto the cream cheese.
4. Seal the other four triangles together as you did in step 1. (do this on a separate cutting board, not the pan)
5. Lift dough off cutting board and top onto other ingredients, making a sandwich.
6. Cut the dough into squares (enough for each person in your group)

Bake for 12-15 minutes or until golden brown
